## The Daisy Café & Cupcakery NOW...

The Daisy Café & Cupcakery opened in 2009. We are a family-owned restaurant featuring all foods made from scratch. We use local ingredients whenever possible. More than 80% of our offerings are either naturally gluten-free or can be substituted to be gluten-free. We offer many vegetarian options & since we cook from scratch we can modify any number of our offerings to be vegetarian & vegan.

We try to make the Daisy as bright & positive as the flower itself—between service, décor, & pleasing food, we always strive to be a “happy space” for our customers.

We feature more than 100 pieces of art inside & outside of the Daisy. All artwork is “hyper-local”—made by the owners, our relatives & our customers, & all made by people who lived no more than 7 miles from the Daisy.

We hope you thoroughly enjoy your experience with us each & every visit.
